## Foreword ▶▶▶

Innovatronix Volleyball Scoreboard is a portable electronic scoreboard used to keep track set won in volleyball games.

***Game, set, match! Scorekeeping made easy with our Portable Volleyball Scoreboard.***

- ✓ Customizable team names.
- ✓ Displays scores, set won, time out left, set and coach timer.
- ✓ Use any TV display with an HDMI port (user provided).
- ✓ Coach Timer (Optional): used by the coach for practice games.
- ✓ With battery backup in case of a sudden power outage to record scores.

## Caution ▶▶▶

⚠ Do not make any changes or modifications to the product unless otherwise specified on this manual. Should there be any changes and modifications made, you could be required to stop the operation of the equipment.

⚠ Innovatronix shall not be liable for any damages or problems arising from the usage of any options, accessories, or any products other than those designated for the product itself.

⚠ The customer uses this product at his own risk and Innovatronix and/or the seller will not be held liable under the damage or injury, including but not limited to loss of properties, directly or indirectly from the use of the product.

## How to Customize Team Names? ▶▶▶

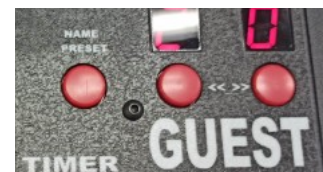

1. Press and hold the “NAME PRESET” button for 5 seconds. Your screen will show a blinking line as an indication that you can start changing the team names.

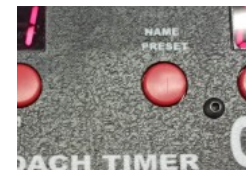

2. To select alphanumerical character, use the “SET WON” and “TIME OUT LEFT” buttons on the upper left portion of the controller. It has a “ - A +” label.

3. To select the space you want to change, use the “SET WON” and “TIME OUT LEFT” buttons on the upper right portion of the controller. It has a “ << \_ >>” label.

4. Press the “NAME PRESET” button to save changes.

## Troubleshooting ▶▶▶

- ⚠ Contact the authorized service technician for repair.
- ⚠ Tampering the unit will cause the voiding of the warranty.

This section describes probable system issues, identifies potential causes, and offers corrective action. This list may not contain every conceivable issue, but it does reflect some of the most frequent circumstances that may arise.

<b>Problem</b>	<b>Cause</b>	<b>Solution</b>
No display and no power light on display receiver	Power cord is not properly plugged to power source	Properly plug in the power cord to an appropriate power source
	Power supply does not work	Replace power supply
No power at controller and garbled display at power failure	Back-up battery at controller is discharged	Plugin controller to charge the battery when power resumes

Turn off the unit and notify a qualified technician or contact our customer service hotline when any of the following occurs:

- Liquids gets through the internal parts of the unit.
- The unit has been dropped and some parts appear to be damaged (push buttons, power switch, power cord, etc.)
- Some of the LEDs on the Main Controller fail to light up.
- The scoreboard is not functioning properly according to its normal operations.

## Warranty and Service ▶▶▶

The Innovatronix Volleyball Scoreboard is covered by a one-year warranty starting from the date of purchase. From that date, the product should be free of any defect in material and workmanship and it will function in accordance with its stated performance.

Within this period, Innovatronix Inc. will replace defective parts. This warranty only covers failure due to manufacturing defects and workmanship. Hence, breakdown of the product due to gross abuse, use with non-recommended equipment or devices and normal wear and tear are not covered in this warranty.

There are no warranties by use except as stated therein. For unsafe and/or faulty repairs, Innovatronix Inc. and/or sellers shall not be liable for such cases. Any alteration made to this product by unauthorized service technicians is the sole responsibility of the owner. The maximum liability for any breach of this agreement or other claim to use of this product shall not exceed the purchase price of the product by the customer.

Warranty registration is not required. Warranty is applicable if and only the product is used under normal conditions and for its intended purpose.

Product replacement policy may differ for every seller. Contact their customer service representative for satisfaction guarantee and officer for their warranty program.

## Replacement Policy ▶▶▶

In the event that you experience any issues or defects with your purchase, Innovatronix provides a replacement with a ONE (1) YEAR warranty from the date of purchase. Follow these steps to send an item for replacement:

1. Call or Message Innovatronix Customer Service.

Contact Number(s): +63 8661-4108 / +63 8571-8621

Email Address: [info@innovatronix.com](mailto:info@innovatronix.com)

2. You may contact us on our Facebook page. This expedites the resolution of any issues you might have.

<https://www.facebook.com/InnovatronixScoreboards>

3. Depending on the outcome of the consultation, Innovatronix Customer Service will assist you with any FedEx-based returns and/or subject for replacement.

Note: Remember to pack the item properly to prevent damage during transportation if you intend to ship it. When shipping, Innovatronix does not recommend utilizing packing peanuts. The same packaging applies with trade-in units for items over the warranty period.
